## Your Rent Payments

Our preferred method of payment is by EFT.

**Trust Account Name:** Professionals Granger Clark Trust (NAB)

**BSB:** 086-420

**Account Number:** 914 558 377

Please ensure you use your address and/or last name as a reference.

## Zero Tolerance Policy for Late Payments

We pride ourselves in our careful tenant qualification and screening processes. Your application has been approved ONLY on the grounds that we are confident that you will pay the rent on time, every time. However, a minority of tenants still fall behind in their rent payments despite all of our tenant screening procedures.

We believe that a smooth relationship can only occur when we all have the right expectations and therefore, we would like to explain our **Rent Arrears Policy**.

**1-3 days late - we will send you an SMS text, email or phone call**

**4+ days late – Termination for “Non Payment of Rent” will be issued**

Our follow-up procedure involves phone calls and persistent personal contact. This has caused some people upset, embarrassment and also resentment, however as paying your rent on time forms part of the Lease Agreement it is important that you understand your obligations.

It is important to note that this policy also applies to invoices (ie. Water consumption accounts).

If you fail to meet your obligations regarding your rent payments we will seek the Landlords instructions to apply to the Magistrates Court for vacant possession of the property. Please note, the Landlord may also choose to employ a third party to recover the outstanding debt.

**For more information regarding rent payments, please visit our website**

<http://www.grangerclark.com.au/tenant-information-videos/>

When you vacate, if you fail to pay any outstanding debts relating to the property (ie. Rent, invoices, cost of repairs etc.) your details will be lodged on the **National Internet Tenancy Databases**. This will affect further tenancy arrangements with other Real Estate Agents not only in your local area, but across Australia and New Zealand. It is important to note that all Real Estate Agents check these tenancy databases as part of their tenant qualification and screening procedure.

Therefore we encourage you to ensure your rent is paid on time, so that it does not affect your future renting prospects.

## **Water Consumption**

The water consumption is billed directly to the owner via our office and then an invoice will be emailed to you. Please make payments directly into our Trust Account.

Water consumption is received from the Water Corporation every 2 months.

Payment of the water consumption account is due within 14 days, and it is important to remember that our rent arrears policy also applies to invoices.

## **Lease Renewals and Rent Reviews**

We will contact you 90 days prior to the expiry of your Lease Agreement to discuss if you would like to continue your tenancy.

Once your intentions are communicated, we will contact the Landlord for further instructions.

Please note a rent review may occur at the time of renewal and may be adjusted in accordance with the current market conditions.

If you wish to vacate the property we will require advice in writing not less than 30 days prior to the expiry of your Lease Agreement.

**For answers to questions regarding lease renewals and rent reviews**

**you can visit our website**

## **Property Condition Report**

At the commencement of your tenancy you will receive an email from Reports Online providing you access to your Ingoing Property Condition Report. You will have access to this report for 7 days to make any amendments/comments. Upon expiry of the 7 days this report will no longer be available to you to make any further amendments.

We encourage you to take your time and be thorough as this report will be used at the final bond inspection when you vacate.

Additionally, you will have access to the Property Condition Report Photographs throughout your tenancy.

## **Routine Inspections**

Our team will conduct a routine inspection at the property approximately every 3 months unless otherwise advised at the commencement of your tenancy. The main purpose is to provide a report to the owner that details the condition of the property, and also to check for any repairs and make any maintenance recommendations to the owner.

Please note that the inspection will involve taking photos and videos of the property and any repairs if required.

A notice will be emailed to you 7-14 days prior advising of your inspection time and day. An SMS reminder will be sent the day prior.

We understand that you may have other commitments, so whilst you are always welcome, you are not required to be present for the inspection.

Please note if you have any maintenance to report, please notify your Property Manager in writing. You do not wait until a routine inspection is conducted.

## **Utility Connections - Getting Connected**

It is your responsibility to ensure your power, gas, phone, internet, etc have been connected into your name.

We will arrange for ConnectNow to contact you to assist you in connecting these services.

## Pets at the property

If the Landlord has approved for you to have a pet at the property, the following conditions apply for the duration of your tenancy:

- **Yard Kept Clean** - keep the yard clean and free from animal faeces.
- **Flea infestation** - in the event of any fleas or flea eggs being present as a result of the animal, you will need to arrange for flea fumigation of the property prior to and upon/after vacating the premises. This is at tenant cost.
- **Damage Rectification** - repair any damage to the premises caused by the animal, and will protect and immediately rectify any damage caused to garden and irrigation systems and fittings.
- **Additional Pets** - other than any pet listed above and approved by the owner, not keep any other animals of any kind on the rental premises, (even on a short-term or temporary basis), including dogs, cats, birds, fish, reptiles, or any other animals.
- **Temporary Pets** - the tenant will not harbour, substitute or "pet-sit" any other pet without permission
- **Disturbance and Noise** - the pet shall not cause any sort of nuisance or disturbance to neighbours. Noise, day or night, must not disturb others. You must do whatever is necessary to keep the pet from making noise that would annoy others, and will take steps to immediately rectify complaints made by neighbours or other tenants.

Failure to comply with these terms shall give the owner the right to revoke permission to keep the pet, and is also grounds for further action and possible eviction action.

## Vacating the property

When you intend to vacate the property, in all instances we require your notice in writing (an email is sufficient)

- If you are leaving at the end of your current fixed term lease, we require at least **30 days notice**
- If you are leaving on a non-fixed term (periodic) lease, we require at least **21 days notice**

Should you wish to vacate your property prior to the expiry of your fixed term Lease Agreement, please contact our office for further information.

## Getting your bond back quickly

We understand that when you vacate the property you would like your security bond refunded as quickly as possible. For this to happen without any unnecessary delays, we recommend the following:

- **Rent** –ensure any outstanding rent is paid (including any outstanding invoices)
- **Cleaning** - ensure the property is professionally cleaned, including the carpets as per the terms of your Lease Agreement
- **Fumigation** — If you have pets, please ensure the property is treated for fleas
